

RECONOCIMIENTO

DR. CARLOS PALADINES

La APPUCE otorga el presente diploma a:

PhD Patricio Javier Espinoza Montero

Por la autoría del artículo publicado

• Nanomaterial enhanced photoelectrocatalysis and photocatalysis for chemical oxygen demand sensing a comprehensive review • Total mercury exposure through canned tuna in water sold in Quito, Ecuador • Chemical, ecotoxicological characteristics, environmental fate, and treatment methods applied to cyanide-containing wastewater • Bioenergy potential from Ecuadorian lignocellulosic biomass: Physicochemical characterization, thermal analysis and pyrolysis kinetics • Photoelectrocatalytic degradation of high-density polyethylene microplastics on TiO₂-modified boron-doped diamond photoanode

Distrito Metropolitano de Quito, 13 de abril del 2025
